

Catalyst Orthopaedics & Sports Medicine Partnership Announcement

Subject: Exciting New Partnership with Catalyst Orthopaedics & Sports Medicine!

Dear Middleton Soccer Club Members,

We are thrilled to announce an exciting new partnership between Middleton Soccer Club and **Tracye Lawyer, M.D., PhD., Kaitlin Neary, MD** at [Catalyst Orthopaedics & Sports Medicine](#) in Boise, ID! This collaboration is designed to enhance the health and well-being of our athletes and their families.

Dr. Tracye Lawyer specializes in Sports Medicine and **Dr. Kaitlin Neary** specializes in Foot and Ankle orthopedics.

Through this partnership, Catalyst Orthopaedics & Sports Medicine will serve as the primary provider for all medical referrals for MSC athletes and families. Their comprehensive services include:

- **Evaluation and treatment for sports and non-sports-related injuries**
- **Expertise in sports psychology to support mental well-being and performance**
- **Holistic wellness programs to promote overall health**
- **Injury presentations, educational content, and resources for prevention and recovery**
- **Ongoing support available year-round for athletes and families**

Injury Protocol:

- For **serious injuries**, MSC staff or family members should contact Tracye Lawyer, M.D., immediately via cell for a quick consult and recommendation. **(330-217-4148 c)**
- For **less serious injuries**, MSC families should contact Tracye Lawyer, M.D., and Catalyst Orthopaedics & Sports Medicine to schedule an appointment. **(208-321-1209 o)**

We are confident this partnership will provide our community with top-tier care, ensuring our athletes can perform at their best both on and off the field.

For more information or to schedule an appointment, please reach out to Catalyst Orthopaedics & Sports Medicine directly or visit their website for additional details.
