### **Assigning and managing team rosters**

The management and forming of team rosters is left up to the discretion of the managing member.

#### **MSC Academy**

Rosters are divided evenly by birth year and randomly assigned to teams. Each birth year is segregated and then divided into the respective amount of teams for that age group. The number of teams is determined by the ideal roster size and the number of registrations in that age group.

#### **Ideal roster sizes**

U4 - pool of 10 players  
U6 (4v4) - 6 to 8 players  
U8 (4v4) - 6 to 8 players  
U10 (7v7) - 10 to 12 players

#### **MSC ISL Recreational/Outback**

Rosters are determined by coaches and the managing director. Teams attend practices before seasonal games begin and are then divided into rosters to best balance team play. Rosters are then submitted to the registrar to be registered with the state governing body which will in turn issue the official game rosters.

#### **Ideal roster sizes**

U12 (9v9) - 12 to 15 players  
U14 (11v11) - 16 to 18 players  
U16 (11v11) - 16 to 21 players

#### **MSC ISL Competitive**

Rosters are determined by coaches and the managing director. Players attend tryouts and are notified by the coach or managing director if the player has been invited to a team. Rosters are

then submitted to the registrar to be registered with the state governing body which will in turn issue the official game rosters.

Ideal roster sizes are determined by the coach and managing director.

### **Coach, Player & Team Requests**

In consideration of the number of players, teams, and coaches MSC manages, and the valuable time of our coach and board volunteers, MSC does not honor requests for teams, coaches, or players when forming teams. Switching teams for schedules, friends, or family is not permitted. Honoring requests results in a burden on the volunteer coaches and can result in the shorting or overloading of teams. Special requests for emergencies or direct family members can be considered upon request and reviewed by the managing member or Board of Directors.
